WELCOME TO THE HPCI INDIA 2024 – DELHI EDITION

HPCI India caters to a broad spectrum of professionals interested in traditional and emerging products and markets and provides a platform to align with the rapid growth of the cosmetics and personal care industry in India, which ranks among the fastest-growing consumer product sectors. The comprehensive conference program highlights its commitment to knowledge exchange and learning, recognizing the ever-evolving nature of this dynamic industry.

HPCI India's success lies in its long-standing presence, dedication to education and innovation, and alignment with the booming consumer products sector in India.
